## ADVENTURE 2 CARD GAME

time: approximately 15 minutes

### Animal Alphabet Letters

Use 2 Decks

Your goal is to make 2 complete animal alphabets

- Split the cards into 2 decks (26 animals in each deck)
- The decks should be in alphabetical order
- At the same time, both of you flip over the first card
- “Can you name this animal?”
- Encourage your child to say “Ant”
- Focus your child’s attention to the letter in the upper right hand corner of the card
- Trace the letter with your finger
- Have your children trace the letter with their finger. Provide assistance if needed.
- Say the name of the letter “a”
- Have your child say the letter “a”
- Say, “Ant begins with the letter ‘a’”
- Ask, “Do you remember what sound ant begins with?”
- Flip the next card – let your child lead if he/she so desires
- Go through the entire deck
- After all of the cards are face-up in order go through the entire alphabet using letter sounds only!
- Have your children pick a favorite animal and ask them, “What letter and sound does this animal’s name begin with?”
